[Greetings]

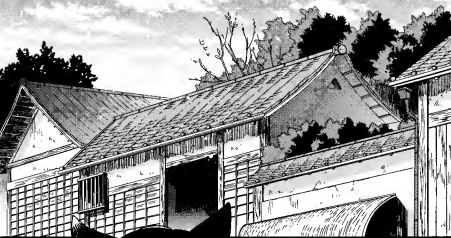

Thank you very much for purchasing this book.

Sorry about the boring title.

I hope you'll enjoy it.

Just being  
by your side

makes me  
happy.

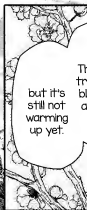

It's  
quite cold  
today...

As long as it  
doesn't reach  
my Mistress...

The plum  
trees are  
blooming  
already,  
but it's  
still not  
warming  
up yet.

Good  
morning,  
Mistress.

Ritsul  
Ritsul

How are you doing?

I think I can have breakfast today.

That's good to hear.

I feel pretty good today!

Thank you.

It will be prepared immediately.

but it's  
great  
she has an  
appetite

Mistress  
hasn't been  
well lately...

she's had a  
weak body.

Ever since  
I started  
working  
here,

The master  
stepped  
in and  
introduced  
me to  
another  
house.

Because of  
my clumsy  
nature, I  
was always  
being scolded  
by the lady  
of the  
house.

Such a  
cold girl.

My family was  
poor and there  
were a lot of  
mouths to  
feed, so I got a  
job right after  
graduating  
from school.

So  
big.

She's not  
cute at  
all.

Are you  
the new  
servant?

Here my  
beautiful  
Mistress  
was living a  
quiet life by  
herself.

My  
mother  
passed  
away from  
illness when  
I was  
young

And my  
father's  
often out  
of the house,  
so it's just  
me here.

My, is that  
true?

I'm  
clumsy and  
can't say  
much.

It's  
okay

Oh! I  
shouldn't  
be doing  
all the  
talking.

So there  
might not  
be much  
for you  
to do.

I like quiet people.

It wasn't long before

I started having special feelings for her.

I'm coming in, Mistress.

Come here.

I'll feed you.

Not to mention that she lived a solitary existence.

I'm sorry  
for  
suddenly  
shouting..

Thank  
you.

y-you'll  
definitely

get  
better,  
MISTRESS!

Then  
when I get  
better,

will you take  
a walk with  
me outside?

I'm still  
waiting to  
fulfill the  
promise  
we made  
that day.

...Yes, of  
course!

May my  
Mistress's  
health  
improve.

Hello  
there.

Here.  
This plum  
flower's  
from my  
garden.

Please  
take it  
with you.

Yes...

Must be  
hard for  
you to  
come every  
day

Something  
you need  
fulfilled?

I suddenly  
felt  
feverish..

It's just a  
fever, don't  
worry.

Call Doctor  
Sakamoto  
for me.

Yes!  
Right this  
moment

**Mistress!**

I've given  
her a shot  
for the  
fever.

Thank  
you,  
Doctor.

You can  
sleep now.

She was happily eating breakfast this morning...

Because I took my eyes off her, now she's...

It's taken a turn for the worse. When did she collapse?

Her father's desperately looking for a good doctor,

but we don't know of any treatments for it.

She's suffering from an unknown illness. It's not your fault.

That's...

You mean  
she can't  
see?!

And  
because of  
her fever,  
her vision's  
impaired  
for the  
time being.

Right now  
it all depends  
on her  
strength  
and  
willpower.

Please  
contact me  
immediately  
if any  
changes  
arise.

..Yes.

Sorry,  
I can't  
see very  
well.

Please  
don't  
push  
yourself,  
Mistress.

Is that  
you, Ritsu?

...My mother  
had a fever  
and lost her  
sight before  
she passed  
away.

Maybe it's  
my turn this  
time.

I don't  
want to die  
like this.

Walking  
under that  
blue sky on  
the green  
grass,

hand in hand  
with the  
person I  
like.

I wanted to  
be loved by  
someone  
before I  
died.

..Mistress!

Right  
now it all  
depends  
on her  
strength  
and will-  
power.

Please  
make me  
your lover  
until you  
recover!

If you  
want  
someone  
to love  
you, I'll  
do it!

love you.

Please  
let me

I'm fine with  
just being a  
fake.

Because I  
love her.

If you want  
someone to love  
you, I'll do it!

Please make me  
your lover until  
you recover!

Even if it  
was on the  
spur of the  
moment,  
for me to  
be saying  
such  
things...

Good  
morning,  
Mistress.

As for  
how she  
replied...

You're  
my lover.  
Calling me  
by that is  
weird.

Sheesh,  
Ritsu.

She  
smiled...

Hey,  
can you  
hold my  
hand?

That's  
okay,  
it suits  
you

I'm sorry,  
but I just  
can't...

please  
forgive  
me.

Ritsu!

Ritsu!

My fever's  
gone down a  
bit already.

I still  
have it,  
though.

Should you  
be getting  
up now,  
Mistress?

My sight will  
get better  
too, right?

No, even  
night has  
some light.

Completely  
dark,  
like a  
never-  
ending  
night.

...What if  
I never get  
to see your  
face again?

always be  
by your  
side!

...Mistress.

Then I would  
always..

...Hey.

Have you  
read novels  
before?

..Thank  
you,  
Ritsu.

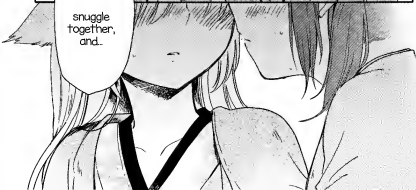

You  
really  
are  
kind.

Couples  
would  
hold their  
hands like  
this,

snuggle  
together,  
and..

For Mistress  
to be this  
close...

Mistress...

I love you.

I want to get  
even closer  
to you.

Falling in  
love and

being loved  
by someone,

isn't it a  
wonderful  
thing,  
Doctor?

Once she's recovered?

Will you take a walk with me outside?

Once she's recovered, the promise we made before.

I'll just be a  
servant again.

is nothing  
more than  
playing  
pretend.

Our  
relation-  
ship now

That would  
be her true  
happiness.

Mistress  
should find  
someone she  
actually loves.

This is my  
punishment.

Even though I  
was happy just  
to be by her  
side,

now I'm wanting  
more and more.

Did you know?  
Doctor asked  
me if I'd like  
to practice  
walking once  
my sight  
comes back.

I'm so glad!  
Once my  
eyes heal I'll  
get to see  
your face  
again, Ritsul

I can't  
quite make  
out shapes  
though.

It's kind of  
blurry right  
now, but I  
can see light  
again.

Yes..

Mistress  
will soon be  
able to see  
again

But  
before  
that..

I would like to  
leave this  
house.

...huh?

Our  
promise  
was

"Please make  
me your lover  
until you  
recover."

I was really  
happy to be  
your lover.

After that,  
even if it  
was fake,

So happy...

I could no  
longer go  
back to just  
being your  
servant.

I can't let  
my voice  
crack.

Sorry for  
being so  
selfish  
Please  
forget me.

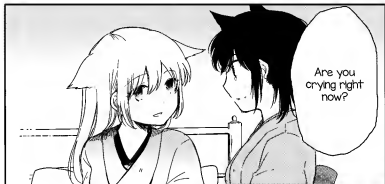

Don't let her notice  
my tears...

Don't make her  
worry for me  
as we part.

You'll definitely  
find someone  
suited for y-

Ritsu.

A black and white manga-style illustration. In the foreground, a girl with long hair, wearing a kimono with a large bow at the back, is running away from the viewer. She has a large, empty speech bubble above her head. The air is filled with many small, falling cherry blossom petals. In the background, there are cherry blossom trees and another smaller figure of a person standing in the distance.

Yes, right  
away!

Just being by  
your side

makes me happy.

[Afterword]

Thank you very much for reading until the end.

In the future I think they'll get married,

rent a little house and live as commoners.

(Ritsu's servant side would awaken if they lived in a big one.)

As for Mistress, getting used to life as common folk

would be quite enjoyable in and of itself.
